36B100 ~ \$38.95

The TFX Collection offers fashionable design paired with exceptional value. Distributed by Bulova, TFX watches are perfect for savvy, style-conscious consumers. Each TFX watch has the sought-after features found in costly designer timepieces: stainless steel bracelet, genuine leather or canvas strap, mineral glass crystal, sweep second hand and water resistant construction.

It's all part of The Bulova Corporate Advantage—which means recognized and trusted brand names, hundreds of styles to suit any taste, prices for any budget and exceptional customization options. With over 135 years of timepiece innovation and leadership, you can rely on our products and service.

38M100 ~ \$43.95

To commemorate an important milestone, acknowledge exceptional performance or provide incentive for continued achievement, nothing speaks as personally as a customized TFX timepiece.

For a colorful touch, logos or designs can be imprinted or recreated as silhouette dials on all of our TFX styles. Even more individualized are engraved messages or logos, available on watch case backs. Contact your local Bulova representative for additional information.
